Program managed by Eagle MGA

Statement of No Loss

I certify that there have been no losses or accidents or circumstances that might give rise to a claim under the insurance policy listed below, from 12:01 am on _____ to _____. I understand that a claim means a loss that is covered under an insurance policy number _____ regardless of fault, payable under any coverage's such as collision, other than collision, liability, uninsured motorist and personal injury protection. I realize that a false statement would be a material representation and would jeopardize any continuation of coverages.
