“YOUR VISION IS OUR VISION”

## New Vision Online Classes Available

**Do you have questions on the features of our web site? Do you ever get stuck in a particular portion of the web system? Would you like to issue policies, endorsements and run reports quickly and efficiently? Vision would like to introduce our new online classes. Learning our Vision web site is now as easy as logging on to the internet! From the comfort of your computer you can begin a training session with your marketing representative. With our online class you will be able to see and interact with the training session to help make training simple and effective. We will even work around your office hours to schedule a time that fits best for you and your employees. For more information or to enroll in a class, contact us at 1-877-987-7466 EXT 95185.**

# Vision Working with IGIB for Mexico Tourist

Vision would like to announce that we are working with IGIB for your Mexico tourist insurance needs. If you are interested in writing Mexico Tourist policies or if you would like a higher level of commission, contact us at 1-877-987-7466.

Here is some history on IGIB:

INTERNATIONAL GATEWAY INSURANCE BROKERS created a revolution in the Mexican Tourist Auto business by pioneering Multiple Entry Annual Policies. These policies allowed the tourist to enter and leave Mexico freely with no limit on the number of days in Mexico for a one-year period.

After many years of research, INTERNATIONAL GATEWAY INSURANCE BROKERS has again created a revolution in the Mexican Auto Tourist Insurance business by pioneering a new, Tourist Annual Policy featuring broadened and increased coverage limits and adding Tour Aid and Legal Services.

The Mexico insurance company underwriting our policies is **SEGUROS COMERCIAL AMERICA**, Mexico's largest and strongest insurance company. **SEGUROS COMERCIAL AMERICA** has a nationwide network of claims service centers throughout Mexico.

# Stop Wasting Paper!

Go paperless! Our Vision website gives you the ability to transform your agency to a completely paperless agency! The following are features that you may not be already taking advantage of:

## Stop Sending Checks

With vision you can have all premiums drafted directly from your checking account. Spend less time writing checks and receive convenient Email reports of all your transactions.

## Stop Receiving Checks

Vision can deposit your commission check directly into your account. This usually allows you to receive your money twice as fast. Commission Direct Deposits are usually in your account by the 5th, sometimes sooner!

### Upload Photos

Directly transfer your digital photos from your computer to the customers' file online!

### Stop Printing Applications

The Vision web site has the ability to capture electronic signatures. The Vision web site is compatible with the Topaz SigLite T-S461, a very inexpensive (under \$115) and useful signature capture device that makes application filing easier. Never fax or mail another application!
